

38TH ANNUAL MEETING
OF THE HISTIOCYTE SOCIETY
SPONSORSHIP PROSPECTUS

HYBRID

SEPTEMBER 18-20, 2022

STOCKHOLM, SWEDEN AND ONLINE

STOCKHOLM 2022

The Histiocyte Society is a professional organization with a membership of more than 200 physicians and scientists from around the world. Its mission is to advance knowledge about histiocytosis and improve outcomes for patients with histiocytic disorders through clinical and basic research and education.

The Society aims to:

- Improve the state of knowledge of the histiocytic disorders and improve the welfare of patients with these disorders,
- Promote, facilitate and carry out research into the histiocytic disorders,
- Provide a forum for health care professionals to effectively communicate concerning these aims and actively facilitate productive dialogue about matters related to the histiocytic disorders,
- Promote education and directly educate physicians, scientists, and other about the histiocytic disorders,
- Advise lay organizations in educational and other matters concerning the histiocytic disorders,
- Collaborate with organizations that have common goals.

Michael Henry, MD
 Phoenix Children's Hospital
 Phoenix, AZ, USA

Kathy Wisniewski
 Histiocyte Society Secretariat's Office
 Pitman, NJ USA

As the President of the Histiocyte Society, an international professional medical organization dedicated to the research and treatment of histiocytic disorders, I invite you to join us as a sponsor of the Hybrid 38th Annual Meeting of the Histiocyte Society. Physicians and scientists from every corner of the globe will gather in person and virtually to share new research and insights into the world of these rare blood disorders.

The Annual Meeting of the Histiocyte Society is a place of groundbreaking discoveries and scientific camaraderie that stretches across seas and continents alike. It is a place of exposure among a unique medical audience devoted to finding better treatments and ultimately, a cure for all histiocytic disorders.

We would like to invite you to partner with us on these important meetings. In this packet you'll find for your review our preliminary schedule and event sponsorship information, which includes the benefits associated with each level of sponsorship. As you will see, there is a wide range of sponsorship opportunities available with varying levels of name and logo recognition throughout the meeting. We would also be happy to work with you to create a custom sponsorship package to meet your needs and budget.

Please contact secretariat@histiocytesociety.org to confirm your sponsorship by August 19th, 2022 in order to receive full sponsorship benefits. Sponsorships confirmed after August 19th may not be included in the event program that will be distributed for the Annual Meeting.

You can find additional information on our meeting website, www.histiocytesociety.org/2022mtg. Be sure to check it often for the most up to date information about our the meeting and the speaker series, including topics and speakers.

Thank you for considering our request. With your support, the physicians and scientists that have made the study and treatment of this disease their life's work will be able to continue these important endeavors and share their new research with the rest of this rare but special community.

Sincerely,
Michael Jordan MD
President, Histiocyte Society
Division of Bone Marrow Transplant and Immune Deficiency
Division of Immunobiology
Professor, UC Department of Pediatrics
Cincinnati Children's Hospital Medical Center, Cincinnati, OH

SPONSORS

This year, Sponsors of the 38th Annual Meeting of the Histiocyte Society have unique opportunities to choose from in order to maximize visibility among our attendees which consist of hematologists, oncologists, researchers and scientists. Your contribution through sponsorship helps support important educational sessions and attendee activities. Each sponsorship opportunity includes various benefits which are based on the level chosen. If you are interested in becoming a sponsor of the Histiocyte Society Virtual Annual Meeting, or if you have any sponsorship ideas or interests other than what is listed below, please contact Kathy Wisniewski at secretariat@histiocytesociety.org.

Please note: Sponsorship must be confirmed by August 19, 2022 to ensure full sponsorship benefits.
