The Histiocyte Society is a professional organization with a membership of nearly 250 physicians and scientists from around the world. Its mission is to advance knowledge about histiocytosis and improve outcomes for patients with histiocytic disorders through clinical and basic research and education. The Society aims to:

- Improve the state of knowledge of the histiocytic disorders and improve the welfare of patients with these disorders,
- Promote, facilitate and carry out research into the histiocytic disorders,
- Provide a forum for health care professionals to effectively communicate concerning these aims and actively facilitate productive dialogue about matters related to the histiocytic disorders,
- Promote education and directly educate physicians, scientists, and other about the histiocytic disorders,
- Advise lay organizations in educational and other matters concerning the histiocytic disorders,
- Collaborate with organizations that have common goals.

MEETING DATES
The 39th Annual Meeting of the Histiocyte Society will take place as a hybrid virtual and in-person meeting over 3 days from October 22-24, 2023. The meeting will include guest speaker presentations, a scientific session where our most highly-rated abstracts will be presented and a clinical studies and registries update. (See preliminary schedule below)

2023 ANNUAL MEETING PROGRAM COMMITTEE

Chair
Kim Nichols, MD
St Jude Children’s Research Hospital
Memphis, TN USA

Committee Members
Karin Beutel, MD
Children’s Hospital München-Schwabing
Munich, Germany

Caroline Hutter, PhD
Children’s Cancer Research Institute
Vienna, Austria

Kathy Wisniewski
Histiocyte Society Secretariat’s Office
Pitman, NJ USA

Michael Jordan, MD
Cincinnati Children’s Hospital Medical Center
Cincinnati, OH USA

Michael Henry, MD
Phoenix Children's Hospital
Phoenix, AZ, USA

Dora Moustaka
Histiocytosis Hellas
Athens, Greece

General Meeting Information..................................................2
Invitation to Participate..........................................................3
Sponsorship Opportunities....................................................4
Preliminary Program...............................................................5
As the President of the Histiocyte Society, an international professional medical organization dedicated to the research and treatment of histiocytic disorders, I invite you to join us as a sponsor of the Hybrid 39th Annual Meeting of the Histiocyte Society. Physicians and scientists from every corner of the globe will gather in person and virtually to share new research and insights into the world of these rare blood disorders.

The Annual Meeting of the Histiocyte Society is a place of groundbreaking discoveries and scientific camaraderie that stretches across seas and continents alike. It is a place of exposure among a unique medical audience devoted to finding better treatments and ultimately, a cure for all histiocytic disorders.

We would like to invite you to partner with us on these important meetings. In this packet you’ll find for your review our preliminary schedule and event sponsorship information, which includes the benefits associated with each level of sponsorship. As you will see, there is a wide range of sponsorship opportunities available with varying levels of name and logo recognition throughout the meeting. We would also be happy to work with you to create a custom sponsorship package to meet your needs and budget.

Please contact secretariat@histiocytesociety.org to confirm your sponsorship by September 15th, 2023 in order to receive full sponsorship benefits. Sponsorships confirmed after September 15th may not be included in the event program that will be distributed for the Annual Meeting.

You can find additional information on our meeting website, www.histioocytesociety.org/Athens-2023. Be sure to check it often for the most up to date information about the meeting including topics and speakers.

Thank you for considering our request. With your support, the physicians and scientists that have made the study and treatment of this disease their life’s work will be able to continue these important endeavors and share their new research with the rest of this rare but special community.

Sincerely,
Kim Nichols MD
President, Histiocyte Society
Director, Division of Cancer Predisposition
St. Jude Children’s Research Hospital, Memphis, TN USA
**Sponsors**

This year, Sponsors of the 39th Annual Meeting of the Histiocyte Society have unique opportunities to choose from in order to maximize visibility among our attendees which consist of hematologists, oncologists, researchers and scientists. Your contribution through sponsorship helps support important educational sessions and attendee activities. Each sponsorship opportunity includes various benefits which are based on the level chosen. If you are interested in becoming a sponsor of the Histiocyte Society Virtual Annual Meeting, or if you have any sponsorship ideas or interests other than what is listed below, please contact Kathy Wisniewski at secretariat@histiocytesociety.org.

*Please note: Sponsorship must be confirmed by September 15, 2023 to ensure full sponsorship benefits.*

All virtual vendor booths, regardless of size, will have the same functionality. The size of the booth refers only to the size of the banner and prominence it will have in the site - Larger booths are given larger banners and higher placement within the virtual platform.
**Preliminary Program (Subject to Change)**

*Please note: All times listed are Eastern European Time (EET)*

**Sunday, October 22, 2023**

0800 - 1000 LCH Disease Discussion Session
1000 - 1030 Coffee Break
1030 - 1230 HLH Disease and MAS Discussion Session
1230 - 1330 Lunch
1330 - 1500 Rare Histiocytic Disorders Discussion Session
1500 - 1600 LCH Education Session - Michael Henry and Ashish Kumar
1600 - 1630 Coffee Break
1630 - 1730 HLH Education Session - Scott Canna and Shan Chandrakasan
1730 - 1830 Rare Histiocytoses Education Session - Julien Haroche and Karen Rech
1900 - 2100 Welcome Reception

**Monday, October 23, 2023**

0845 - 0900 Opening Ceremonies: Histiocyte Society President, Kim Nichols
Special welcome to local organizer
0900 - 1000 **Guest Speaker** - New insights into neuroimmune interactions - Jonathan Kipnis
1000 - 1030 Coffee Break
1030 - 1230 **HLH Symposium: Cutting and Pasting: Gene Therapy Approaches for Primary HLH**
Claire Booth, Toni Cathomen and Shengdar Tsai
1230 - 1330 Lunch
1230 - 1330 **Meet the Expert Session:**
HLH - Rebecca Marsh
1330 - 1500 Scientific Session 1: Oral Presentations
1500 - 1530 Coffee break
1530 - 1700 Scientific Session II: Presidential Symposium
1700 - 1830 Poster Presentation Session
**Preliminary Program (Subject to Change)**

*Please note: All times listed are Eastern European Time (EET)*

**Tuesday, October 24, 2023**

0830 - 0915  Clinical Studies and Registries Update
0915 - 1000  Jon Pritchard Lecture on the Nikolas Symposium
1000 - 1030  Coffee break
1030 - 1230  LCH Symposium: Hitting the Target: Signaling Pathways Gone Awry in Histiocytosis
Mimi Bandopadhayay, Gaurav Goyal, Andy Pearson

1230 - 1330  Lunch
1230 - 1330  Meet the Expert Sessions:
LCH - Patrick Campbell
Rare Histiocytoses - Gaurav Goyal

1330 - 1500  Scientific Session III: Oral Presentations
1500 - 1530  Presentation of Late Breaking Abstracts
1530 - 1600  Coffee break
1600 - 1700  General Assembly Business Meeting
1700 - 1730  Executive Board Meeting
             Education Committee Meeting
             Scientific Committee Meeting

1900 - 2359  Histiocyte Society Annual Banquet
              Closing Ceremonies: Awarding of Scientific Prizes
